Sanctioning

SSM 8/10/49.

The work connected with the preparation of the State Administration Report for the year 1947-48 has been completed and copies of the Report with appendices, index and the synopsis have been printed and will be distributed shortly.

2 The preliminary portion of the work relating to the collection of material for the Report took some time. Every care was taken by the Section to see that the work calendar was conformed to; timely and prompt reminders (in some cases eight to nine times) had to be sent requesting the expeditious despatch of departmental reports and personal calls were made in some cases in order to hasten the work. In spite of all these, some reports came in very late. Further the Press too could not, owing to heavy rush of work and other reasons, attend exclusively to this item of work. Every attempt, was, however, made to bring out the Report with the least possible delay. In all, 72 Reports were dealt with.

3 I beg to state that the work of drafting and compiling the Report on the basis of the several reports received from the various Departments was attended to by me and the staff consisting of a First Division Clerk (Sri. T. Akkappaiya and Steno-typist (Mr. G. Raphael). Each one in the Section had to work not only overtime on certain office days but also work on holidays in order to get through the work as expeditiously as possible.

4 The checking of facts and figures, passing of the proofs to the Press after corrections several times and summarising and expanding wherever necessary have entailed heavy and responsible work every day, and apart from the two officials, I have devoted a few hours daily to this work in addition to my normal items of work. In addition to the Report, a synopsis for the use of the Press has also been issued. In the previous years, the assistance of an Assistant Publicity Officer used to be taken to get

through this work. This year it has been done with just the ministerial staff.

L I Government in their Order No. 2165/C.B., 120-48-1, dated 5th October 1948 were pleased to sanction a lumpsum allowance of Rs 100/- and Rs 50/- both to the Publicity Officer and the Assistant Publicity Officer respectively

The Publicity Officer has stated that the services of the Assistant Publicity Officer were not made use of this year for the compilation of the Administration Report and the whole work fell on the official and the Steno-typist. In view of their hard work the usual allowance of Rs 50/- each that was granted on previous occasion as setforth above may be sanctioned now to the two officials and in addition the sum of Rs 50/- which was being given as an allowance to the Assistant Publicity Officer may also be given to these two officials on account of the increased responsibility and distributed as follows:- Sri T. Akkappiah Rs 30/- and Mr. G. Raphel, Steno-typis Rs 20/-. The Publicity Officer may be given the usual lumpsum remuneration of Rs 100/- as on previous occasion.

b The work of the two officials referred to above was quite satisfactory.
